To the Ladies!

ELEGANT FANCY WORK

THE EVILS OF PAINTING

And their Remedy.

"It has been said with much truth, too, that house painting might, with study and acquirement of taste, resume its rank as a liberal art."—Painters' Manual.

Believing the above to be true, A. B. KERR has now re-organized his system of working the business in Honolulu. In the first place he has secured the services of that celebrated artist, Mr. MAX KOUSS, formerly of San Francisco, whose work in the line of plain and decorative paper-hanging, frescoing, &c., is up to the present time unsurpassed, and on these Islands has never been equalled. For house painting jobs first-class mechanics only will be employed. In future patrons can depend upon my filling every order on the most scientific basis known to the trade.

The Sign Painting and Lettering department will be permanently presided over by Mr. GEO. STRATMEYER, (further comment unnecessary.)

P.S.—Send for designs of frescos for ceiling and cornices. Something new; and if you want any glass put in call at

"Tiger" Paint Store,

The Hawaiian Temperance Year Book,

For 1883.

THERE will be published here in January, 1883, a year book, an interesting and useful volume with the above title. A handy book of reference as well as a valuable book for the household. It will be especially devoted to the temperance cause, and will be of much use all the year around. You will be solicited to subscribe to this book, and can obtain further information by calling upon
